

Resume

Alejandro González Della Valle, MD, FAAOS

Attending Orthopaedic Surgeon
Chief of the Hip Service
Eduardo A. Salvati Chair in Hip Arthroplasty
Hospital for Special Surgery – New York

PERSONAL INFORMATION:

Address: Main Office: Hospital for Special Surgery - Professional Building
535 East 70th Street, third floor.
New York, NY 10021
Phone: 212.774.7124 - Fax: 212.774.7505

Mail: Hospital for Special Surgery
535 East 70th Street, New York, NY 10021

Nationality: USA

EDUCATION, TRAINING AND PROFESSIONAL EXPERIENCE:

School - Program	Years	Degree
University of Buenos Aires - School of Medicine	1987-1992	MD
Hospital Italiano de Buenos Aires (Orthopaedics)	1993-1996	Resident
Hospital Italiano de Buenos Aires (Orthopaedics)	1997	Chief Resident
Hospital Italiano de Buenos Aires (Hip Surgery)	1998	Fellow
Hospital for Special Surgery, New York	1999-2000	Research fellow
Hospital Italiano de Buenos Aires (Hip Service)	2000-2002	Attending surgeon
Hospital for Special Surgery, New York (Hip and Knee)	2002-2004	Clinical fellow
Hospital for Special Surgery, New York (Hip and Knee)	2005-2009	Ast. Att. Surgeon
New York Presbyterian Hospital, New York	2005-2009	Ast. Att. Surgeon
Hospital for Special Surgery, New York (Hip and Knee)	2010-2014	Ass. Att. Surgeon
New York Presbyterian Hospital, New York	2010-2014	Ass. Att. Surgeon
New York Presbyterian Hospital, New York	2015-	Attending surgeon
Hospital for Special Surgery, New York	2015-	Attending surgeon

HONORS AND AWARDS:

1. 1994 – “Best Resident Scientific Presentation Award” in the 31st Annual Meeting of the Argentine Orthopedic Association. Martinez G, Herrera C, Segal E, González Della Valle A, Lupoti C, Gimenez V, Gallucci G, Monayer J, Godoy D, Rubel I, Rondon L, Hernandez G. Intra-observer and inter-observer agreement of the Neer Classification System from proximal humeral fractures utilizing radiographs and CT scan.
2. 1996 – “Latin American Orthopedic Society Award” in the 33rd Annual Meeting of the Argentine Orthopedic Association. Illarramendi A, González Della Valle A, Segal E, De

- Carli P, Maignon G, Gallucci G. Frykman and AO Classification Systems for distal radius fractures. Assessment of intra- and inter-observer reproducibility.
3. 1997 – “Best Resident Scientific Presentation Award” in the 34th Annual Meeting of the Argentine Orthopedic Association. González Della Valle A, Campaner G, Barla J, Encinas J, Garces E, Buttaro M, Burgo F, Concaro S, Vestri R, Petrachi M. Operative errors in total hip replacement detected in postoperative radiographs. Comparison between surgeons with different level of experience.
 4. 1997 – “Accesit Award in Basic Orthopedic Research” in the 34th Annual Meeting of the Argentine Orthopedic Association. González Della Valle A, Campaner G, Barla J, Encinas J, Buttaro M, Concaro S, Vestri R, Petrachi M, Mocetti E. Immuno-detection of hyaluronic acid, metalloproteinase 1 and 3 in hip osteoarthritic cartilage.
 5. 1998 - “Carlos E. Ottolenghi Award” in Basic Orthopedic Research, in the 35th Annual Meeting of the Argentine Orthopedic Association. Ortolán E, González Della Valle A, García Rivello H, Mocetti E, Solá C, Grunberg M. Immuno-histochemical characterization of degenerative changes in human herniated lumbar intervertebral disc. Expression of hyaluronan, metalloproteinases 1 and 3, basic fibroblastic growth factor and CD34.
 6. 2001 – “Luis Petracchi Award” in the Annual Meeting of the Argentine Hip and Knee Society. González Della Valle A, Costa Paz M, Buttaro M, Ocantos J, Bonadeo G, Rolon A. Occult fractures of the hip and the knee.
 7. 2001 – “Accesit Award in Basic Orthopaedic Research” in the 38th Annual Meeting of the Argentine Orthopedic Association. Buttaro M, González Della Valle A, Mocetti E, Morandi A, Piccaluga F. Incorporation of morcelized bone graft admixed with vancomycin. An experimental study in pigs.
 8. 2002 – “Acta Orthopaedica Scandinavica Research Award”. Buttaro M, González Della Valle A, Morandi A, Mocetti E, Piñeyro L, Piccaluga F. Incorporation of vancomycin-loaded bone graft.
 9. 2005 – The Hip Society “Sir John Charnley Award”. Salvati EA, González Della Valle A, Westrich GH, Rana AJ, Specht L, Weksler BB, Wang P, Glueck CJ. Heritable thrombophilia and development of thromboembolic disease following total hip arthroplasty.
 10. 2005 - The "S.L.A.O.T. Award" (Latin American Society of Orthopaedics and Traumatology) in the 42nd Annual Meeting of the Argentine Orthopaedic Association. Comba F, González Della Valle A, Zoppi A, Salvati EA. Favorable results of total hip arthroplasty with a cemented polished stem.
 11. 2005 – “The Award of the Research Forum” in the 42nd Annual Meeting of the Argentine Orthopaedics Association. Comba F, González Della Valle A, Wright T, Salvati EA. Damage of retrieved cross linked polyethylene inserts for total hip arthroplasty.
 12. 2007 – “The Nicholas Andry Award” of the American Association of Bone and Joint Surgeons. Three decades of clinical, basic and applied research on thromboembolic disease after total hip arthroplasty. Salvati E, Sharrock NE, Westrich G, Potter H, González Della Valle A, Sculco TP.

13. 2009 – “Best Poster Award” in the Annual Meeting of the American Society of Regional Anesthesia. Reid S, Ma Y, González Della Valle A, Gaber-Baylis LK, Memtsoudis SG. Perioperative outcomes after unilateral versus bilateral total knee arthroplasty. American Society of Regional Anesthesia - April 30 to May 3, 2009, Phoenix, AZ.
14. 2010 – “Third Prize Award to the Best Scientific Presentation” at the 9th Domestic Meeting of the European Hip Society. Poultsides L, Ma Y, Gonzalez Della Valle A, Chiu YL, Gaber Baylis L, Mazumdar M, Sculco TP, Memtsoudis S. In-hospital surgical site infection after primary total hip and knee arthroplasty: Incidence and risk factors. Athens, Greece, September 9th to 11th, 2010.
15. 2011 – “The Presidential Guest Lecture” of the Annual Meeting of the British Hip Society: Myths and facts of thromboprophylaxis following total joint replacement without the use of routine anticoagulation. Torquay, UK, March 2-4, 2011.
16. 2012 – “Team Science Award” in the Translational Science 2012 Annual Meeting – Awarded by the American Federation of Medical Research, Association of Clinical Research Training, Association for Patient Oriented Research, and the Society for Clinical and Translational Sciences. Washington, DC, April 18-20, 2012.
17. 2012 – “Teaching Excellence Award” Awarded by the Adult Reconstruction and Joint Replacement Service at Hospital for Special Surgery. New York, NY, July 19, 2012.
18. 2014 – “Teaching Excellence Award” Awarded by the Adult Reconstruction and Joint Replacement Service at Hospital for Special Surgery. New York, NY, July 17, 2014.
19. 2015 – Visiting Professor at the Department of Orthopaedic Surgery of Humber River Regional Hospital, Toronto, Canada. May 3rd and 4th, 2015.
20. 2015 – “Magna Cup Laude – Outstanding Poster Presentation Award”. Magnetic resonance imaging as biomarker of adverse local soft tissue reactions in total hip arthroplasty – Koff M, Shah P, Burge A, Miranda M, Esposito C, Baral E, Bauer T, Nocon A, Fields K, Lyman S, HSS Adult Reconstruction and Joint Replacement Division, Padgett D, Wright T, Potter H. International Society for Magnetic Resonance in Medicine, Toronto, Canada, May 30-31, 2015.
21. 2018 – Achievement Award by the American Academy of Orthopaedic Surgeons.
22. 2021 - AAHKS Annual Meeting “Best Poster Award” in the Health Policy Category. Rodriguez S, Lebrun DG, Gonzalez Della Valle A, Ast MP, Rodriguez JA. Predicting total knee arthroplasty outpatient discharge: surgeons vs. insurance companies.
23. 2023 - CCJR Thomas & Cynthia Sculco Research Award. LaValva SM, Grubel J, Ong J, Chiu YF, Lyman S, Mandl LA, Cushner FD, Gonzalez Della Valle A, Parks ML. Substantial weight loss may not help improve early outcomes of total knee arthroplasty in the morbidly obese.
24. 2023 – “The John Insall Award” awarded by the Knee Society. Lebrun DG, Gonzalez Della Valle A, Grubel JA, Ong J, Chiu YF, Blevins JL, Haas SB, Rodriguez JA, Gausden EB, Chalmers BP. Does melatonin improve subjective sleep quality after TKA? A randomized, placebo-controlled trial.

25. 2023 – “The Richard Laskin Award” awarded in the HSS Holiday Hip and Knee Course. Torres-Ramirez RJ, Bido J, Bernier-Colon L, Nguyen J, Chalmers BP, Gonzalez Della Valle A, Rodriguez JA. The influence of surgical approach on symptomatic venous thromboembolism rates in primary total hip arthroplasty.
26. 2024-2025: Resident Core Faculty – Hospital for Special Surgery.
27. 2025: The Philip D. Wilson Resident Teaching Award. Awarded by the 2025 Class.

PROFESSIONAL SOCIETIES:

1. The Argentine Orthopedic Association: 1993 to present.
2. The Argentine Orthopedic Trauma Association: 1996 to present.
3. The Argentine Hip and Knee Society (ACARO): 1998 to present. Honorary member: 2025 to present.
4. International Affiliate Member of the American Academy of Orthopedic Surgeons and American Association of Orthopedic Surgeons: from 1998 to 2013.
5. Active Fellow of the American Academy of Orthopedic Surgeons: Class of 2014
6. Member of the Library Committee of the Argentine Orthopedic Association: 1998 to August 2003.
7. Member of Société Internationale de Chirurgie Orthopédique et de Traumatologie (S.I.C.O.T.) : 1999 to 2002; 2021 to present.
8. Alumni Association of Hospital for Special Surgery: 2000 to present.
9. The British Hip Society (Honorary Member): 2011 to present.
10. Active member of the American Association of Hip and Knee Surgeons: Class of 2014
11. Active member of European Knee Associates (EKA): 2014 to 2015.
12. Active member of European Society for Sports Traumatology, Knee Surgery and Arthroscopy (ESSKA): 2014 to 2015.
13. European Knee Society (founding member): 2015 to 2023.
14. Active member of The Hip Society: 2018 to present.
15. Active member of The International Society of Orthopaedic Centers (ISOC): 2020 to present.
16. Active member of the Musculoskeletal Infection Society (MSIS): 2021 to 2023
17. Active member of The Knee Society: 2023 to present.
18. Active member of the International Hip Society: 2024 to present.

VOLUNTEERING/COMMITTEE ACTIVITIES IN PROFESSIONAL SOCIETIES:

1. Media spokesperson for the American Academy of Orthopedic Surgeons: 2014 to present.

2. Member of the Adult Reconstruction-Knee Program Committee of the American Academy of Orthopedic Surgeons: 2014 to 2018
3. Member of the Peer Review Committee of the Orthopaedic Research and Education Foundation: 2014 to 2016
4. Abstract Reviewer for the Annual Meeting of AAHKS: 2015, 2016.
5. Member of the Patient and Public Relations Committee of AAHKS: 2015 to 2019.
6. Member of the Research Subcommittee of the American Joint Replacement Registry: 2019 to present.
7. Member of the Hip Arthroplasty Committee of SICOT: 2021 to present.
8. Member of the Digital Education Committee of The Hip Society and The Knee Society: 2023 to present.
9. Member of the AAOS' Central Instructional Course Committee for the period 2025-2029. Chair for the 2028 AAOS Annual Meeting.

BOARD CERTIFICATION:

2012 – American Board of Orthopaedic Surgery – ID#: 53186 – Currently on the third recertification cycle using the Web Based Self-Assessment Pathway.

ACADEMIC APOINTMENTS:

1. 2002-2004: Senior Clinical Associate in Orthopaedic Surgery. Weill Medical College of Cornell University. New York.
2. 2005 to 2007: Instructor of Orthopaedic Surgery. Weill Medical College of Cornell University. New York.
3. 2007 to 2009: Assistant Professor of Orthopaedic Surgery. Weill Medical College of Cornell University. New York.
4. 2010 to 2014: Associate Professor of Orthopaedic Surgery. Weill Medical College of Cornell University. New York.
5. 2015 to present: Professor of Clinical Orthopaedic Surgery. Weill Medical College of Cornell University. New York.
6. 2022 to present: Dr. Eduardo A. Salvati Professor of Clinical Orthopaedic Surgery. Hospital for Special Surgery.

102. Ast M, Mayman D, Gonzalez Della Valle A, Bostrom M, Haas S. Identifying near-miss errors in total hip arthroplasty and total knee arthroplasty. Podium presentation (P156) at the annual meeting of AAOS. March 24-28, 2015. Las Vegas, NV.
103. Ghomrawi H, Mancuso C, Alexiades M, Sculco T, Gonzalez Della Valle A, Cornell C, Mushlin A. Do surgeon expectations predict outcomes after total joint replacement? Podium presentation (P676) at the annual meeting of AAOS. March 24-28, 2015. Las Vegas, NV.
104. Gonzalez Della Valle A, Blanes Perez A, Lee YY, Konin G, Endo Y, Saboeiro G, Sharrock N, Salvati EA. The clinical severity of patients developing pulmonary embolism following joint replacement is unrelated to the location of thrombus in the pulmonary vasculature. Poster presentation at the annual meeting of AAHKS. Dallas, TX, November 6-7, 2015.
105. Opperer M, Lee YY, Nally F, Gonzalez Della Valle A. A critical analysis of radiographic factors in patients who develop dislocation after elective primary total hip arthroplasty. Podium presentation # 580 at the annual meeting of AAOS. March 2-8, 2016. Orlando, FL. Poster presentation 43555. 37th SICOT Orthopaedic World Congress, Rome, Italy, September 8-10, 2016.
106. Gonzalez Della Valle A, Waddell B, Boettner F. Revision arthroplasty of large Paprosky 3B defects using impaction grafting and a metallic mesh. Podium presentation 43332. 37th SICOT Orthopaedic World Congress, Rome, Italy, September 8-10, 2016.

107. Gonzalez Della Valle A, Franceschini V, Nodzo S. Load sensor technology variability in total knee arthroplasty. Podium presentation 44002. 37th SICOT Orthopaedic World Congress, Rome, Italy, September 8-10, 2016. Podium presentation in Annual Meeting of AAHKS, Dallas, TX, November 10-13, 2016.
108. Gonzalez Della Valle A, Amundsen S, Lee Y-y. The use of intraoperative sensing technology with algorithmic pie-crusting of the medial collateral ligament during total knee arthroplasty of varus knees reduces the need for a constrained insert. Podium presentation 45583. 37th SICOT Orthopaedic World Congress, Rome, Italy, September 8-10, 2016. The Open Meeting of the EKS – April 20-21, 2017, London, UK.
109. Gonzalez Della Valle A, Blanes Perez A, Lee Y-y, Konin G, Endo Y, Saboeiro G, Sharrock NE, Salvati EA. The clinical severity of PE following joint replacement is unrelated to the location of emboli in the pulmonary vasculature. Poster presentation 43549. 37th SICOT Orthopaedic World Congress, Rome, Italy, September 8-10, 2016.
110. Franceschini V, Nodzo SR, Gonzalez Della Valle A. Femoral component rotation in total knee arthroplasty: A comparison between transepicondylar axis and posterior condylar line. Poster presentation 43726. 37th SICOT Orthopaedic World Congress, Rome, Italy, September 8-10, 2016
111. Schmucker A, Hupert N, Sasaki M, Ching C, Banerjee S, Artis AS, Cornell C, Figgie MP, González Della Valle A, Magid SK, Mandl LA. Using PROMIS to find frail patients undergoing total joint replacement. Poster presentation at PROMIS: Measuring Health Outcomes Around the World. Copenhagen, October 23-24th, 2016.
112. Nodzo SR, Franceschini V, Sanchez Cruz D, Gonzalez Della Valle A. The flexion space is reliably balanced when using the transepicondylar axis to determine femoral component rotation in varus knees. Poster presentation - The Holiday Hip and Knee Course. New York. December 1-3, 2016. The Open Meeting of the EKS – April 20-21, 2017, London, UK.
113. Ricciardi B, Lee YY, Trivellas M, Oi K, Gonzalez Della Valle A, Westrich G. Survivorship and prognostic factors for extensor mechanism allograft reconstruction after total knee replacement. Podium presentation at the Annual Meeting of AAOS. March 14-18, 2017. San Diego, CA.
114. Tarity TD, Lee L, Lyman S, Gonzalez Della Valle A. Metabolic syndrome and total knee arthroplasty. Poster presentation at the Annual Meeting of AAOS. March 14-18, 2017. San Diego, CA.
115. Salvati E, Brause B, Gonzalez Della Valle A, Westrich G. Four decades of experience on two-stage reimplantation of infected total hip arthroplasties at the Hospital for Special Surgery. Keynote Speech at the 38th SICOT Orthopaedic World Congress - Cape Town, South Africa. November 30th to December 2nd, 2017.
116. Schmucker A, Cornell C, Cross M, Gonzalez Della Valle A, Figgie M, Jerabek S, Sasaki M, Magid S, Mandl L. Validation of the PROMIS29 in elective hip and knee arthroplasty patients. Poster presentation (A1254) in AAHKS Annual Meeting. November 2-5, 2017, Dallas, TX. Poster presentation (P0544) in 2018 AAOS Annual Meeting. New Orleans.

117. Mandl LA, Schmucker AM, Hupert N, Sasaki M, Cornell CN, Cross MB, Gonzalez Della Valle A, Figgie MP, Jerabek SA, Szymonifka J, Magid SK. Is frailty associated with adverse events after total joint arthroplasty. Podium presentation in the ACR/ARHP Annual Meeting. November 4- 8, 2017, San Diego, CA. Poster presented at: 2nd Annual Weill Department of Medicine Research Retreat; November 14, 2017; New York, NY. Podium presentation (Pod 666) in 2018 AAOS Annual Meeting. New Orleans. Poster presented at: International Conference on Frailty and Sarcopenia Research 2018; March 1-3, 2018; Miami Beach, FL. Poster presented at: 2018 Osteoarthritis Research Society International (OARSI) World Congress; April 26-29, 2018; Liverpool, UK.
118. Nodzo S, Gruskay J, Carrol K, Sculco P, Haas S, Lee YY, Gonzalez Della Valle A. Does tourniquet inflation alter medial and lateral compartment loads during sensor-assisted total knee arthroplasty? Poster presentation (P110) in 2018 AAOS Annual Meeting, New Orleans.
119. Haas S, Mayman D, Gonzalez Della Valle A, Ast M. Implant selection errors in total hip and knee arthroplasty. Podium presentation (Podium 144) in 2018 AAOS Annual Meeting, New Orleans.
120. Scott T, Salvatore A, Lee YY, Woo P, Gonzalez Della Valle A. Peri-prosthetic fracture rate is high in polished collarless tapered cemented stem for primary hip arthroplasty. Poster presentation (P53) in 2018 AAOS Annual Meeting, New Orleans.
121. Girardi F, Memtsoudis S, Liu L, Gonzalez Della Valle A. The impact of obesity on resource utilization among patients undergoing total joint arthroplasty. Poster presentation 2545. The 19th EFORT Congress, Barcelona, Spain, 30 May - 01 June 2018.
122. Haas SB, Premkumar A, Lovecchio FC, Stepan JG, Koch CN, Carroll KM, Sculco PK, Jerabek SA, Gonzalez Della Valle A, Mayman DJ, Pearle AD, Alexiades MM, Albert TJ, Cross MB. Characterization of postoperative opioid consumption and disposal patterns after total knee arthroplasty with a novel mobile phone text messaging platform. The Close Meeting of the Knee Society 2018.
123. Mandl LA, Cornell CN, Cross MB, Gonzalez Della Valle A, Figgie MP, Jerabek S, Do JT, Sasaki M, Hupert N, Szymonifka J, Magid SK. Is frailty associated with worse outcomes after total joint replacements? Poster presentation in the 2018 ACR/ARHP Annual Meeting. October 19-24, Chicago, IL.
124. Huerfano E, Huerfano M, Shanaghan K, Gonzalez Della Valle A. Topical tranexamic acid in revision total knee arthroplasty reduces transfusion rates and may be associated with a faster recovery. Podium presentation in the annual meeting of AAHKS. November 1-4, 2018, Dallas, TX.
125. Huerfano E, Huerfano M, Shanaghan K, Gonzalez Della Valle A. Topical tranexamic acid in revision total hip arthroplasty. Poster presentation in the annual meeting of AAHKS. November 1-4, 2018, Dallas, TX.
126. Mandl LA, Cornell CN, Cross MB, Gonzalez Della Valle A, Figgie MP, Jerabek SA, Do JT, Sasaki M, Hupert N, Finik J, Magid SK. Is frailty associated with worse

outcomes after joint replacements? International conference on Frailty and Sarcopenia Research – February 20-22, 2019 – Miami, FL.

127. Shanaghan KA, Chiu Y-F, Gonzalez Della Valle A. Minimal soft tissue tension differences do not affect early patient-reported outcomes of primary TKA. Is a 1-millimeter insert increment really necessary? Podium presentation in the Closed Meeting of The European Knee Society. January 15-17, 2019, Megeve, France.
128. Premkumar A, Lovecchio F, Stepan J, Koch C, Carroll K, Sculco P, Jerabek S, Mayman D, Gonzalez Della Valle A, Pearle A, Haas S, Alexiades M, Albert T, Cross M. Characterization of postoperative opioid consumption and disposal patterns after total hip and knee arthroplasty with a novel mobile phone text messaging platform. Poster presentation in the Annual Meeting of the AAOS, Las Vegas, NV, March 12-16, 2019.
129. Cross MB, Cornell CN, Gonzalez Della Valle A, Figgie MP, Jerabek SA, Do JT, Sasaki M, Szymonifka J, Mandl LA. Can pre-surgery PROMIS-29 Scores identify patients likely to do well after total joint replacements? Poster presentation in the Annual Meeting of the AAOS, Las Vegas, NV, March 12-16, 2019.
130. Birch G, Kirksey M, Fields K, Ihekweazu U, Gonzalez Della Valle A, Parks ML, Cross MB, Jules-Elysee K, Sculco PK. Incidence of and risk factors for stiffness after total knee arthroplasty: An exploratory analysis of a prospective cohort study. Poster presentation in IARS (International Anesthesia Research Society) May 16-20, 2019 Montreal, Canada. And in NEUPSIG (International Congress on Neuropathic Pain) London, UK May 9-11, 2019. Also Poster Presentation: International Anesthesia Research Society 2019 Annual Meeting; May 17-20, 2019; Montreal, CA.
131. Cizmic Z, Carroll K, Jerabek S, Paprosky W, Sculco P, Gonzalez Della Valle A, Meere P, McLawhorn A, Schwarzkopf R, Boettner F, Mayman D, Vigdorichik J. Computer navigation for revision total hip arthroplasty reduces dislocation rates. Paper 164. CAOS Meeting – New York, June 19 - 22, 2019.
132. Shanaghan KA, Jacob I, Benson J, Gonzalez Della Valle A. Acetabular positioning is more consistent with the use of a miniature computer assisted device. Poster presentation in Annual Meeting of ISTA – Toronto, Canada, October 2-5, 2019.
133. Gonzalez Della Valle A, Shanaghan KA, Salvati EA. Multimodal prophylaxis in patients with a history of thromboembolism undergoing primary arthroplasty. Podium presentation in the Closed Meeting of The Hip Society. Kohler, WI. September 26-27, 2019.
134. Bekeris J, Fiasconaro M, Bekere D, Liu J, Poeran J, Gonzalez Della Valle A, Shanaghan K, Zubizaretta N, Wilson L, Memtsoudis SG. The impact of regional anesthesia on major gastrointestinal complications after total hip and total knee arthroplasty. e-poster: <https://epostersonline.com/ASRASPRING19/node/1041>. 44th Annual Regional Anesthesiology and Acute Pain Medicine Meeting. Thursday, April 11, 2019-Saturday, April 13, 2019. Las Vegas, NV.
135. Liu J, Elkassabany N, Poeran N, Gonzalez Della Valle A, Kim DH, Memtsoudis SG. Feasibility of same day discharge after total knee and total hip arthroplasty: the impact on complications and readmissions. e-poster:

<https://epostersonline.com/ASRASPRING19/node/1945>. 44th Annual Regional Anesthesiology and Acute Pain Medicine Meeting. Thursday, April 11, 2019-Saturday, April 13, 2019. Las Vegas, NV.

136. DeMeo D, Fiasconaro M, Cozowicz C, Rotundo V, Soffin E, Gonzalez Della Valle A, Cross M, Boettner F, Memtsoudis SG. Effects of audiovisual distraction versus standard sedation on desaturation and airway intervention in OSA-patients undergoing total knee arthroplasty under neuraxial anesthesia. 9th Annual Society of Anesthesia and Sleep Medicine Meeting; October 17-18, 2019; Orlando, FL.
137. Wei C, Gu A, Quan T, Fassih S, Kahlenberg C, Liu J, Gonzalez Della Valle A, Sculco P. Neural network prediction of same-day discharge following total knee arthroplasty. Southern Orthopaedic Association. Podium presentation. July 22-25, 2020.
138. Wei C, Gu A, Malahias MA, Kotha VS, Kahlenberg C, Manolopoulos PP, Amdur RL, Liu J, Gonzalez Della Valle A, Sculco PK. Neural network prediction of same day discharge following primary total knee arthroplasty based on pre-inclusion variables. Poster presentation in The First Virtual EFORT Congress October 28-30, 2020.
139. Springer BD, Odum S, De A, Stambough JB, Huddleston J, Illgen R, Gonzalez Della Valle A. The influence of femoral fixation on mortality and revision following elective and non-elective hip arthroplasty in patients older than 65 years. A matched cohort analysis from the American Joint Replacement Registry. Presented in the closed meeting of the Hip Society – Virtual October 1 and 2, 2020.
140. Chalmers BP, Lebowitz J, Chiu Y, Joseph A, Grimaldi P, Padgett D, Bostrom M, Gonzalez Della Valle A. Diminishing opioid discharge dosage did not lead to an increase in opioid refill MMEs after primary total joint arthroplasty: An institutional experience. Presented in the closed meeting of the Hip Society – Virtual October 1 and 2, 2020.
141. Gonzalez Della Valle A, Odum S, De A, Stambough JB, Huddleston J, Illgen R, Springer BD. Cemented femoral fixation may be associated with increased perioperative mortality in elective primary hip arthroplasty: Analysis of the American Joint Replacement Registry. Poster presentation #100 at The ISAR Virtual Meeting- November 13-15, 2020.
142. Brian P. Chalmers BP, Lebowitz J, Chiu J-F, Joseph A, Padgett D, Bostrom M, Gonzalez Della Valle A. Reduction of opioid discharge dosage after total knee arthroplasty did not increase the risk of manipulation under anesthesia: An institutional experience. Paper presentation in the Annual Meeting of the AAOS. August 31st to September 3rd, 2021, San Diego, CA.
143. Gonzalez Della Valle A, De M, Odum SM, Barrington JW, Huddleston J, Richard Illgen Springer BD, MD. The effect of femoral stem fixation on revision and mortality in patients over the age of 65 years undergoing elective total hip arthroplasty. An analysis of The American Joint Replacement Registry. Paper presentation in the Annual Meeting of the AAOS. August 31st to September 3rd, 2021, San Diego, CA.
144. Springer BD, De A, Odum SM, Stambough JB, Huddleston J, Illgen R, Gonzalez Della Valle A. The influence of femoral fixation on mortality and revision following femoral

neck fractures: A matched cohort analysis from the American Joint Replacement Registry. Paper presentation in the Annual Meeting of the AAOS. August 31st to September 3rd, 2021, San Diego, CA.

145. Bendich I, Landy D, Do H, Krell E, Joseph A, Boettner F, Rodriguez J, Alexiades M, Gonzalez Della Valle A. Intraoperative complications and early return to the operating room in THA performed through the direct anterior and posterior approaches. An institutional experience of surgeons after their learning curve. Poster presentation in the Annual Meeting of the AAOS. August 31st to September 3rd, 2021, San Diego, CA.
146. Liu J, YaDeau JT, Zhong H, DeMeo D, Gonzalez Della Valle A, Kirksey M. Severity and duration of intraoperative controlled hypotension is not associated with increased odds of composite in-hospital major complication, including myocardial infarction, stroke, and death. Poster presentation in the Annual Meeting of the AAOS. August 31st to September 3rd, 2021, San Diego, CA.
147. Krell E, Hamilton A, Joseph A, Do H, Nguyen J, Rodriguez J, Gonzalez Della Valle A. Utilization of Prescription Monitoring Program to predict opioid use after primary THA and TKA. Poster presentation in the Annual Meeting of the AAOS. August 31st to September 3rd, 2021, San Diego, CA.
148. Wei C, Gu A, Fassihi SC, Quan T, Kahlenberg CA, Thakkar SC, Gonzalez Della Valle A, Sculco PK. Neural network prediction of same-day discharge following primary total knee arthroplasty based on pre-inclusion variables. Poster presentation in the Annual Meeting of the AAOS. August 31st to September 3rd, 2021, San Diego, CA.
149. Nocon AA, Mayman DJ, Gkias I, Tam KW, Sculco PK, Gonzalez Della Valle A, Windsor RE. The stiff patient: What can range of motion trajectories tell us? Poster presentation in the Annual Meeting of the AAOS. August 31st to September 3rd, 2021, San Diego, CA.
150. LeBrun D, Salvati E, Gonzalez Della Valle A. Multimodal prophylaxis in patients with a history of venous thromboembolism undergoing primary total hip and total knee arthroplasty. E-poster presentation in SICOT Orthopaedic World Congress – September 15-18, 2021, Budapest, Hungary.
151. Alpaugh K, Chiu YF, Zlotnicki J, Bendich I, Gonzalez Della Valle A, Bostrom M, Gausden E. Femoral component sizing and alignment are risk factors for early periprosthetic femur fracture. The Closed Meeting of the Hip Society. October 8-9, 2021, Washington DC.
152. Brian P. Chalmers BP, Lebowitz J, Chiu Y-F, LeBrun D, Joseph A, Gonzalez Della Valle A. The effect of preoperative tramadol use on opioid consumption after primary total hip and knee arthroplasty: An institutional experience of 11,000 patients. The Closed Meeting of the Hip Society. October 8-9, 2021, Washington DC.
153. LeBrun D, Salvati EA, Gonzalez Della Valle A. Multimodal prophylaxis in patients with prior venous thromboembolism undergoing THA and TKA. Podium presentation in the Annual Meeting of the Eastern Orthopaedic Association. Nashville, TN, October 23, 2021.

154. Premkumar A, Anatone AJ, Illescas A, Memtsoudis SG, Cross MB, Sculco PK, Gonzalez Della Valle A. Perioperative use of antifibrotic medications associated with lower rate of manipulation after TKA. Podium presentation at the 2021 AAHKS Annual Meeting. November 11-14, 2021.
155. Krell E, Debbi E, Sapountzis N, Chiu YF, Joseph AD, Lyman S, Mandl LA, Gonzalez Della Valle A. Preoperative PROMIS-29 Fatigue Score predicts postoperative opioid use after primary TKA and THA. Podium presentation at the 2021 AAHKS Annual Meeting. Dallas, TX, November 11-14, 2021.
156. Rodriguez S, Rodriguez JA, Gonzalez Della Valle A, Ast MP, Lebrun DG, Rodriguez-Semidey JG. Predicting TKA outpatient discharge: Surgeons vs insurance companies. Poster presentation at the 2021 AAHKS Annual Meeting. Dallas, TX, November 11-14, 2021.
157. Rodriguez S, Rodriguez JA, Shen TS, Gonzalez Della Valle A, Ast MP, Lebrun DG. Same-day discharge total hip arthroplasty: Causes for failure to launch and associated risk factors. Poster presentation at the 2021 AAHKS Annual Meeting. Dallas, TX, November 11-14, 2021.
158. Hanreich CA, Boettner F, Krell EC, Gausden EB, Cushner FD, Gonzalez Della Valle A, Chalmers BP. Blood loss following total joint replacement by decade: Higher transfusion rates in nonagenarians. Poster presentation at the 2021 AAHKS Annual Meeting. Dallas, TX, November 11-14, 2021.
159. Chalmers BP, LeBrun DG, Lebowitz J, Chiu YF, Joseph A, Gonzalez Della Valle A. Preoperative tramadol use increases postoperative opioid refills and MMEs after primary THA and TKA. Poster presentation at the 2021 AAHKS Annual Meeting. Dallas, TX, November 11-14, 2021. Podium presentation in the Close Meeting of the Hip Society, Washington DC, October 9th, 2021. Podium presentation in 2022 AAOS Annual Meeting, Chicago, IL. March 22-26, 2022.
160. Shen TS, Rodriguez S, LeBrun DG, Gonzalez Della Valle A, Ast MP, Rodriguez JA. Reasons and risk factors for failed same-day discharge after primary TKA. Poster presentation at the 2021 AAHKS Annual Meeting. Dallas, TX, November 11-14, 2021.
161. LeBrun DG, Krell EC, Biehl E, Fisher CM, Zhang Y, Do H, Chiu YF, Gonzalez Della Valle A, Ast MP, Martino B. Tele-rehabilitation is non-inferior to traditional rehab following TKA: A matched cohort study. Poster presentation at the 2021 AAHKS Annual Meeting. Dallas, TX, November 11-14, 2021.
162. Alpaugh K, Chiu YF, Zlotnicki JP, Bendich I, Gonzalez Della Valle A, Gausden EB, Bostrom MPG. Femoral component sizing and alignment are risk factors for early periprosthetic femur fracture. Poster presentation at the 2021 AAHKS Annual Meeting. Dallas, TX, November 11-14, 2021.
163. Krell EC, Ong C, Cororaton AD, Haas SB, Cushner FD, Westrich GH, Gonzalez Della Valle A, Boettner F. Disruption in elective postoperative care in March 2020 did not affect early outcomes of primary TKA. Poster presentation at the 2021 AAHKS Annual Meeting. Dallas, TX, November 11-14, 2021.

164. Ong CB, Rangel M, Chiu YF, Thomson M, Gonzalez Della Valle A. Computer navigation influence on operative time, fluoroscopy use, and cup positioning during direct anterior THA. Technical video presented in the Annual Meeting of the Argentine Orthopaedic Association. Buenos Aires, December 1-3, 2021.
165. Sarpong N, Hanreich C, Krell E, Premkumar A, Gausden E, Cushner F, Gonzalez Della Valle A, Boettner F. What role does age play in postoperative functional mobility and inpatient physical therapy after primary total hip arthroplasty? A decade-by-decade analysis in patients aged 60 to 99 years. E-poster presentation in the Holiday Hip and Knee Course, New York, December 1-3, 2021.
166. Sarpong N, Hanreich C, Krell E, Premkumar A, Gausden E, Cushner F, Gonzalez Della Valle A, Boettner F. An analysis of in-hospital rehabilitation outcomes after total knee arthroplasty in sexagenarians vs. septuagenarians vs. octogenarians vs. nonagenarians. E-poster presentation in the Holiday Hip and Knee Course, New York, December 1-3, 2021.
167. Fleisher I, Ong C, Krell E, Chiu Y-F, Cushner F, Gausden E, Boettner F, Gonzalez Della Valle A. Nonagenarians and octogenarians undergoing THA and TKA: Does a 10-year age difference affect 90-day outcomes? E-poster presentation in the Holiday Hip and Knee Course, New York, December 1-3, 2021.
168. Ong CB, Krell EC, Cororaton A, Haas SB, Cushner FD, Westrich GH, Gonzalez Della Valle A. COVID-19 disruptions to elective postoperative care did not adversely affect early complications or patient reported outcomes of primary TKA. Paper presentation in the close meeting of the European Knee Society, Courmayeur, Italy, December 15-18, 2021. Podium presentation in 2022 AAOS Annual Meeting, Chicago, IL. March 22-26, 2022.
169. Krell E, Fleisher I, Lyman S, Chiu YF, Do H, Su E, Rodriguez J, Boettner F, Gonzalez Della Valle A. Expansion of fast-track and ambulatory elective Total Hip Arthroplasty (THA) during the 2020 "return-to-normal" period is safe and effective. Poster P0559 in 2022 AAOS Annual Meeting, Chicago, IL. March 22-26, 2022.
170. Krell E, Ong C, Lyman S, Chiu YF, Do H, Haas S, Boettner F, Gonzalez Della Valle A. Expansion of fast-track and ambulatory elective total knee arthroplasty (TKA) during the 2020 "return-to-normal" period is safe and effective. Poster P0609 in 2022 AAOS Annual Meeting, Chicago, IL. March 22-26, 2022.
171. LeBrun D, Biehl E, Fischer C, Gonzalez Della Valle A, Ast M. Telerehabilitation is non-inferior to traditional rehabilitation following total knee arthroplasty: A matched cohort study. Poster P0641 in 2022 AAOS Annual Meeting, Chicago, IL. March 22-26, 2022.
172. Diaz A, Joseph A, Gonzalez Della Valle A, Rodriguez J, Lyman S. Cross-cultural adaptation of the Knee Injury and Osteoarthritis Outcome Score, Joint Replacement (KOOS, JR) into Spanish. Podium presentation in 2022 AAOS Annual Meeting, Chicago, IL. March 22-26, 2022. Podium presentation at the 2022 Annual Meeting of the International Society for Technology in Arthroplasty (ISTA), August 30 to September 3, 2022. Maui, Hawaii.

173. Shen TS, Rodriguez S, Lebrun DG, Gonzalez Della Valle A, Ast MP, Rodriguez JA. Reasons and risk factors for failed same-day discharge after primary total knee arthroplasty. Podium presentation in 2022 AAOS Annual Meeting, Chicago, IL. March 22-26, 2022.
174. Ong C, Puri S, Lebowitz J, Sideris A, Gonzalez Della Valle A, Chalmers B. Preoperative regular cannabis use did not increase opioid utilization after primary total hip arthroplasty in a propensity matched model. Poster presentation P0549 in 2022 AAOS Annual Meeting, Chicago, IL. March 22-26, 2022.
175. Bendich I, Vigdorichik J, Sharma A, Mayman D, Sculco PK, Anderson C, Gonzalez Della Valle A, Su E, Jerabek S. Robotic-assistance for posterior approach total hip arthroplasty is associated with lower risk of revision for dislocation when compared to manual techniques. Poster presentation in 2022 AAOS Annual Meeting, Chicago, IL. March 22-26, 2022.
176. Hanreich C, Cushner F, Gausden E, Gonzalez Della Valle A, Cororaton A, Boettner F. Higher postoperative complication rate in patients aged 80+: Are there risk factors other than age? Poster presentation in 2022 AAOS Annual Meeting, Chicago, IL. March 22-26, 2022.
177. Ong C, Grubel J, Premkumar A, Chiu YF, Gonzalez Della Valle A. Use of a novel imageless navigation system reduced fluoroscopy exposure and improved acetabular positioning in anterior approach total hip arthroplasty. A case-control study. Podium presentation at the 2022 Annual Meeting of the International Society for Technology in Arthroplasty (ISTA), August 30 to September 3, 2022. Maui, Hawaii.
178. Ong C, Chiu Y-F, Grubel J, Premkumar A, Lee GC, Gonzalez Della Valle A. Defining the learning period of an optical miniature imageless navigation system for posterior approach total hip arthroplasty (THA): An analysis of surgical time and navigation accuracy. Poster presentation at the 2022 Annual Meeting of the International Society for Technology in Arthroplasty (ISTA), August 30 to September 3, 2022. Maui, Hawaii.
179. LeBrum D, LaValva SM, Fisher CM, Tuohy S, Nguyen JT, Gonzalez Della Valle A, Ast MP, Carli AV. RAPT score predicts postoperative function, length of stay, and discharge destination after TKA/THA. Podium presentation at the AAHKS Annual Meeting. Dallas, TX, November 3-6, 2022. Poster presentation at: Current Concepts in Joint Replacement Winter Meeting. Orlando, FL, USA. December 2022.
180. Premkumar A, Grubel J, Ondeck N, Koo A, Blevins J, Sculco P, Mayman D, Gonzalez Della Valle A. A critical analysis of wound complications with different skin closure and dressings techniques for primary arthroplasty. Podium presentation in the close meeting of the Hip Society. Santa Monica, CA, October 1, 2022.
181. Zhang E, Anatone A, Figgie M, Long W, Gonzalez Della Valle A, Lee GC. Spine or hip first? Outcomes in patients undergoing sequential lumbar spine or hip surgery. Podium presentation in the close meeting of the Hip Society. Santa Monica, CA, October 1, 2022.
182. Cheng R, Blevins JL, Debbi EM, Chiu YF, Gonzalez Della Valle A, Lee GC. Isolated bearing exchange for management of hip instability following primary total hip

- arthroplasty. Podium presentation at the 2023 AAHKS Annual Meeting. A21470. November 2-5, 2023, Grapevine, TX.
183. Lebrun DG, Gonzalez Della Valle A, Grubel JA, Ong J, Chiu YF, Blevins JL, Haas SB, Rodriguez JA, Gausden EB, Chalmers BP. Does melatonin improve subjective sleep quality after TKA? A randomized, placebo-controlled trial. Podium presentation at the 2023 AAHKS Annual Meeting. A10173. November 2-5, 2023, Grapevine, TX. Podium presentation in the Close Meeting of The Knee Society. Monterey, CA, September 2023. Podium presentation at Eastern Orthopaedic Association (EOA). October 2023. Charleston, SC. Podium Presentation. The 2024 Annual Meeting, February 12-16, San Francisco, CA.
 184. Driscoll D, Grubel J, Ong J, Chiu YF, Mandl L, Cushner F, Parks M, Gonzalez Della Valle A. The likelihood, timing and invasiveness of early reinterventions following primary TKA do not deteriorate with the severity of obesity. Podium presentation in the Close Meeting of The Knee Society. Monterey, CA, September 2023. Poster presentation A20849. The AAHKS Annual Meeting, November 2-5 2023, Grapevine, TX.
 185. LaValva SM, Grubel JA, Ong J, Chiu YF, Mandl LA, Cushner F, Gonzalez Della Valle A, Parks ML. Is preoperative weight loss in patients with BMI>40 associated with fewer complications after THA? Podium presentation at the 2023 AAHKS Annual Meeting. A20896. November 2-5, 2023, Grapevine, TX. Podium presentation in the Close Meeting of The Hip Society. Durham, NC, October 2023.
 186. Borsinger T, Chandi S, Cororaton A, Gonzalez Della Valle A, Chalmers BP. The impact of total hip arthroplasty surgical approach on predicted 90-day postoperative opioid consumption. Podium presentation at Eastern Orthopaedic Association (EOA). October 2023. Charleston, SC
 187. Driscoll DA, Grubel JA, Ong J, Mandl LA, Chiu YF, Cushner FD, Gonzalez Della Valle A, Parks ML. Does WHO Obesity Class associate with stiffness after total knee arthroplasty in obese patients? Poster A20845 at the AAHKS Annual Meeting, November 2-5, 2023. Grapevine, TX
 188. LaValva SM, Grubel JA, Ong J, Chiu JF, Mandl, LA, Cushner F, Gonzalez Della Valle A, Parks ML. Delaying primary total knee arthroplasty in patients with BMI > 40: Helpful of harmful? Poster A20895 presentation in the AAHKS Annual Meeting, November 2-5, 2023. Grapevine, TX.
 189. Chandi S, Puri S, Cororaton A, Gonzalez Della Valle A, Ast MP, Sculco PK, Chalmers B. Does a meloxicam-bupivacaine mixture improve postoperative pain control after primary TKA compared to a standard periarticular injection? Podium presentation at Eastern Orthopaedic Association (EOA). October 2023. Charleston, SC.
 190. Sarpong NO, Rodriguez S, Kuyl EV, Lyman SO, Gonzalez Della Valle A, Vigdorichik J, Rodriguez JA. Does surgical approach in the context of spinal stiffness and deformity affect postoperative dislocation after total hip arthroplasty? Podium presentation at Eastern Orthopaedic Association (EOA). October 2023. Charleston, SC.
 191. LaValva S, Grubel J, Ong J, Chiu YF, Gonzalez Della Valle A, Parks M. Is the anterior approach for total hip arthroplasty associated with a higher incidence of 90-day

complications in patients with BMI>40? E-poster e69. The 2024 Annual Meeting, February 12-16, San Francisco, CA.

192. Mandl LA, Smole AK, Swett BJ, Gottesman SP, Shea YM, Zhao AH, Sun D, Westrich G, Alexiades M, Gonzalez Della Valle A, Kishore S. Feasibility and acceptability of geniculate artery embolization for the treatment of painful knee osteoarthritis. 2024 OARSI World Congress on Osteoarthritis.

12. Journal of the American Academy of Orthopaedic Surgeons
13. Bone and Joint Journal
14. Revista de la Asociacion Argentina de Ortopedia y Traumatología
15. Archives of Orthopaedics and Trauma Surgery.

HOSPITAL COMMITTEES AND ACTIVITIES (Hospital for Special Surgery):

1. 2005 to present: Director of the Arthroplasty Journal Club
2. 2005 to 2010: Public and Patient Education (Member)
3. 2005 to 2007: Pharmacy and Therapeutics (Member)

4. 2007 to 2009: International Training and Education Committee (Chair)
5. 2007 to 2013: Professional Education Committee (Member)
6. 2007 to 2014: The Institutional Review Board Committee (Member)
7. 2007 to 2009: Clinical Informatics Committee (Member)
8. 2007 to 2012: International Leadership Committee (Member)
9. 2008 to present: Adult Reconstruction and Joint Replacement Service - Education & Mentoring Committee (Member).
10. 2008 to 2012: Curriculum Committee at Hospital for Special Surgery (Member).
11. 2008 to present: Co-Director of Education and Mentoring - Adult Reconstruction and Joint Replacement Service.
12. 2013 to 2024: Director of the monthly ARJR Radiology Tutorials
13. 2014 to 2021: Weekly ARJR Tutorials for rotation residents (tutor).
14. 2014 to present: Member of the Research and Innovation Committee. Adult Reconstruction and Joint Replacement Service.
15. 2018 to 2020: Member-at-Large to the Medical Board.
16. 2020 to 2023: Director of the ARJR Peri-Operative Outcomes Research Group.
17. 2020 to present: Member of the HSS Mental Health Peer Support Program.
18. 2020 to present: Chief of the Hip Service.
19. 2020 to 2023: Member of the HSS Leadership Council.
20. 2020 to present: Member of the Global Outreach Committee of the ARJR Service at HSS.
21. 2021 to present: Member of the Patient Education and Quality Care at HSS. Committee Chair: 2022 to present.
22. 2021 to present: Member of the Innovation Committee of the ARJR Service at HSS.
23. 2021 to present: Member of the Global Education Council of Hospital for Special Surgery.
24. 2021 to present: member of the Professional Safety Committee at Hospital for Special Surgery.
25. 2021 to present: member of the HSS ARJR Business and Strategic Growth Committee.
26. 2023 to present: Co-Director of HSS Enterprise Pathways Steering Committee

CONFERENCES:

1. The history of polished cemented stems in total hip arthroplasty. The C-Stem Learning Center Course in Argentina. Organized by Johnson & Johnson Medical, Argentina. Buenos Aires, April 19, 2001 and June 21, 2001

2. The role of the surface finish in the cemented fixation of the femur. Annual Meeting of the Hospitals of Downtown Buenos Aires. Buenos Aires, May 8th, 2001.
3. The history of Exeter and other polished stems in hip arthroplasty. The First Exeter Stem Learning Course in Argentina. Organized by Howmedica, Argentina. Buenos Aires, May 24, 2001.
4. Occult fractures about the hip. The Bi-annual Course of the Argentine Hip and Knee Society. Buenos Aires, September 2001.
5. Diagnosis of deep periprosthetic infections with frozen sections. The Bi-annual Course of the Argentine Hip and Knee Society. Buenos Aires, September 2001.
6. Current status of total hip replacement. III Jornadas de Ortopedia y Traumatología del Conurbano Sur. Buenos Aires, October 2001.
7. Femoral neck fractures in the elderly patient. The Argentine Meeting of Gerontology. Buenos Aires, November 2001.
8. Rehabilitation following arthroplasty of the hip. The 38th Meeting of the Argentine Orthopaedic Association, December 2001.
9. Hip replacement for displaced femoral neck fractures. The 38th Meeting of the Argentine Orthopaedic Association, December 2001.
10. Academic Orthopaedics: The rights and responsibilities of the authors. The Argentine Association of Arthroscopy. August 5, 2002.
11. Digital Photography in Orthopaedics. (in collaboration with Dondorff A.) The Argentine Orthopaedic Association. September 2002.
12. The current status of cemented fixation of femoral stems. The Hospital for Special Surgery. May 2003.
13. The current status of cementless acetabular fixation for primary total hip arthroplasty. The Hospital for Special Surgery. October 2003, September 2004
14. Intramedullary impaction grafting for cemented femoral revisions. The 2004 Latin American Forum. Organized by Johnson & Johnson Medical. Miami June 5 to 7, 2004.
15. A critical view to minimally invasive hip arthroplasty. Complications of acetabular modularity. Orthopaedic authorship. Preoperative planning for primary total hip arthroplasty. Multimodal prophylaxis for thromboembolic disease after total hip arthroplasty. Evolution of the surface finish changes of the VerSys cemented femoral stem. How do I perform a cemented primary total hip arthroplasty? The Annual Meeting of the Argentine Orthopaedic Association. Buenos Aires, December 5 to 9, 2004.
16. Three decades of basic and clinical investigation on thromboembolic disease following total hip arthroplasty. The Latin American Forum. Organized by Johnson & Johnson Medical. Miami July 9, 2005.
17. The rationale for the use of multimodal thromboembolic prophylaxis for primary total hip arthroplasty. Encore Medical Annual Orthopaedic Forum. New York, December 2nd and 3rd, 2005.

18. Total hip replacement in the young patient. Prevention of hip replacement instability. Mode of failure of uncemented modular acetabular components. A critical view of minimally invasive surgery of the hip. Total hip replacement in patients with a history of hip infection. The Second Course of Clinica de Marly. Bogotá, Colombia, July 15 to 16, 2006.
19. Non-arthroplasty options for the treatment of osteonecrosis of the hip. Ceramic on polyethylene total hip arthroplasty. Preoperative planning for primary total hip arthroplasty. The Annual Orthopaedic Course of Pontificia Universidad Catolica de Chile. Santiago de Chile, August 10, 11, 12, 2006.
20. Revision total knee replacement for stiffness. The 2006 Insall Traveling Fellows Meeting at the Insall Scott Kelly Institute. New York, October 18th, 2006.
21. The role of aspirin for thromboprophylaxis of total knee replacement. The 18th Annual Holiday Total Knee Course. The Roosevelt Hotel, New York City. Dec 1st, 2006.
22. Why total knee replacement fails? Advances in Surgical Technology. Grand Hyatt Hotel, New York City. Dec 2nd, 2006.
23. Perioperative mortality following total hip and knee replacement. Multimodal prophylaxis following total hip replacement. The Annual Meeting of the Argentine Orthopaedic Association. Buenos Aires, Argentina, Dec 4th to 8th, 2006.
24. Cemented vs. cementless stem fixation for primary total hip arthroplasty. Update in Hip Disorders. Hospital for Special Surgery. February 2 and 3, 2007.
25. Maximizing postoperative range of motion following total knee replacement. Re-operations of total knee replacements due to restricted motion. Current status of cemented femoral fixation for total hip arthroplasty. Thromboprophylaxis and mortality following total hip and knee arthroplasty. The VI International Congress of Orthopaedics and Traumatology of the Argentine Northwest. Tucuman, October 4, 5 and 6, 2007.
26. What's hot in surgical approaches for total knee arthroplasty? The Alumni Meeting of HSS. New York, November 15-16, 2007.
27. AAOS Guidelines for the prevention of venous thromboembolism following total hip and knee arthroplasty. The Alumni Meeting of HSS. New York, November 15-16, 2007.
28. Complications following total knee replacement. Why won't it straighten out or bend better? 19th Annual Holiday Total Knee Course. New York, December 6, 2007.
29. Acetabular osteolysis: When to graft, when to revise? Update in Hip Disorders. Hospital for Special Surgery. New York, April 5th, 2008.
30. The assessment and treatment of periprosthetic osteolysis around a well fixed acetabular cup. How do I maximize range of motion following total knee replacement? The 4th Meeting of Latin-American hip and knee surgeons. Cartagena de Indias, Colombia. August 7th to 9th, 2008.
31. Revision hip replacement with a modular stem for proximal fixation. The rationale for the AAOS Guidelines for thromboprophylaxis following total hip and knee replacement. International course on the theory and practice of femoral revisions with a modular stem.

University Hospital of Barcelona ("Hospital Clinic"), Barcelona, Spain. December 3rd, 4th and 5th, 2008. **Co-Directors:** Xavier Gallart, A Gonzalez Della Valle.

32. Preoperative planning for primary total hip arthroplasty. Live total hip replacement. Maximizing flexion following total knee arthroplasty. News, advancements and current concepts of hip and knee reconstructive surgery. Hospital for Special Surgery, January 23rd and 24th, 2009. **Co-Directors:** Eduardo A. Salvati, A Gonzalez Della Valle.
33. Tips for the execution of a total knee replacement. Total knee replacement in the stiff knee. Bone graft substitutes in revision hip and knee replacements. International Meeting of Hip and Knee Surgeons. Organized by the Venezuelan Society of Orthopaedic Surgery and Traumatology. Isla Margarita, Venezuela, May 28 and 29, 2009.
34. All cause mortality following total hip replacement. Bilateral total knee replacement. Acetabular osteolysis: surgical options. The management of the stiff total knee replacement. The multimodal thromboprophylaxis protocol for total hip replacement patients. ACARO Meeting (Argentine Hip and Knee Society). Buenos Aires, Argentina. September 16-19, 2009.
35. Thromboprophylaxis following total joint arthroplasty without routine use of anticoagulants. Extensor mechanism failure following total knee replacement. 21st Annual Holiday Total Knee Course. New York, December 3-4, 2009.
36. Preoperative templating for primary total hip replacement. Guest Lecturer at the Department of Orthopaedic Surgery – Lenox Hill Hospital, January 21st, 2010.
37. Trends in hip replacement surgery – US perspective. Thromboprophylaxis and mortality following total hip replacement. Exeter Symposium on Complex Primary and Revision THA. Exeter, UK, June 7-8, 2010.
38. Myths and reality of thromboprophylaxis and death following total hip replacement. The assessment and treatment of periacetabular osteolysis following total hip replacement. Conferences at the 9th Domestic Meeting of the European Hip Society. Athens, Greece, September 9th to 11th, 2010
39. Extensor mechanism failure following total knee replacement. 22nd Annual Holiday Total Knee Course. New York, December 3, 2010.
40. Myths and facts of thromboprophylaxis following total joint replacement without the use of routine anticoagulation. The Presidential Guest Lecture of the Annual Meeting of the British Hip Society. Torquay, UK, March 2-4, 2011.
41. Controversies around the diagnosis and treatment of thromboembolism following total joint arthroplasty. Extensor mechanism failure following total knee replacement. 23rd Annual Holiday Total Knee Course. New York, December 1-2, 2011.
42. Is there a relationship between modern thromboprophylaxis and mortality following total joint arthroplasty? Presidential Guest Lecture. Revision total knee replacement for postoperative stiffness. The Annual Congress of SOMACOT (Sociedad Madrileña de Cirugía Ortopédica y Traumatológica). Boadilla del Monte, Madrid. October 18th and 19th, 2012.

43. The modern diagnosis and treatment thromboembolic disease following total joint arthroplasty. Why do I still favor cemented femoral fixation for primary THA? Revision TKA for restricted motion. Improving range of motion following TKA. Revision THA with modular, proximally loading prostheses. The 49th Annual Meeting of the Argentine Orthopaedic Association. Buenos Aires, December 2 to 5, 2012.
44. Myths and facts on modern thromboprophylaxis and mortality following total joint arthroplasty. Assessment and treatment of patients who present with periprosthetic osteolysis and well fixed THA implants. I Simpósio Internacional de Osteoartrite: Avanços no tratamento clínico e cirúrgico. Sao Paulo, Brazil, March 1 and 2, 2013.
45. Infected total knee replacement. Instructional Course #5. The Biannual Meeting of ISAKOS (International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine). Toronto, Canada, May 13th, 2013.
46. Addressing the varus deformity during total knee arthroplasty. Guest Lecturer at the Department of Orthopaedic Surgery – Lenox Hill Hospital, November 7th, 2013.
47. I love aspirin. 25th Annual Holiday Total Knee Course. New York, December 5-6, 2013.
48. Low molecular weight heparin is always necessary for thromboprophylaxis: In opposition. Prevention of prosthetic joint infection: The role of the environment. Enhanced perioperative medical management for total joint arthroplasty. Florence, Italy, May 22-23, 2014.
49. A primary hybrid total hip replacement – Live surgery. From Hospital for Special Surgery to Current Concepts in Joint Replacement – Foz do Iguazu, Brazil. September 19, 2014.
50. Cemented femoral fixation for primary hip arthroplasty. Visiting professor lecture – Department of Orthopaedic Surgery – Lenox Hill Hospital, New York. October 30th, 2014.
51. Arthroplasty for hip dysplasia through a posterolateral approach. Preoperative planning for primary hip arthroplasty. Revision acetabular surgery with morselized grafts and a reinforcement mesh. Primary hip replacement through a posterolateral approach. Diagnosis and treatment of hip infection. In “Natural history of hip dysplasia. From the Pavlik harness to revision surgery”. Seville, Spain. November 27 and 28, 2014.
52. New technology for primary knee replacement: ligament balance. Assessment and treatment of periprosthetic osteolysis following hip arthroplasty. The Holiday Hip and Knee Course. New York, December 4, 5 and 6, 2014.
53. Multimodal prophylaxis for elective knee arthroplasty – My worst case: bilateral extensor mechanism failure after TKA. Current concepts CIGASCOT. Complex knee arthroplasty. From primary to revision. Torino, Italy, March 5-6, 2015.
54. Is there a relationship between thromboembolism, thromboprophylaxis and mortality after modern total joint arthroplasty? The treatment of a chronically stiff TKA. III Simpósio Internacional de Osteoartrite: Avanços no tratamento clínico e cirúrgico. Sao Paulo, Brazil, April 11, 2015.

55. Multimodal thromboprophylaxis for total joint arthroplasty. In favor of aspirin. Humber River Regional Hospital, Toronto, Canada. May 4th, 2015.
56. Preoperative planning for primary total hip replacement. Guest Lecturer at the Department of Orthopaedic Surgery – Lenox Hill Hospital, October 20th, 2015.
57. The role of cement fixation in the difficult primary THR. Dislocation remains the number one problem. The Holiday Hip and Knee Course. New York, December 3, 4 and 5, 2015.
58. Cemented femoral stem: a time honored solution. Acetabular revision with impaction grafting. Current Concepts in Joint Replacement – Winter 2015. December 9-12, 2015 – Orlando, FL.
59. Trends in the use of non-cemented femoral fixation for total hip arthroplasty – The role for a new non-cemented stem - Japanese Association of Replacement Arthroplasty – February 26-27, 2016, Osaka, Japan.
60. Sensor-assisted balance of a varus deformity during total knee arthroplasty – Orthosensor sponsored presentation during the Annual AAOS Meeting. Orlando, FL, March 3rd, 2016.
61. Mortality following total joint arthroplasty. Guest Lecturer at the Department of Orthopaedic Surgery – Lenox Hill Hospital, March 15, 2016.
62. Cemented femoral fixation for primary THA. Lessons learned while addressing the varus deformity during TKA. The 4th Annual Utah Hip and Knee Arthroplasty Symposium. Park City, Utah. April 7-9, 2016.
63. Lessons learned from intraoperative sensing while addressing the varus deformity during TKA. 2016 John N. Insall Traveling Fellows. New York, October 13, 2016.
64. Lessons learned from intraoperative sensing for TKA. Outpatient TKA: Not for me or my patients. Innovative Techniques – The Knee Course – Las Vegas, NV – October 22nd, 2016.
65. Acetabular revision: The role of bone grafting. The Holiday Hip and Knee Course. New York. December 1-3, 2016.
66. Revision TKR: How can we avoid using trabecular metal cones? The Open Meeting of the EKS – April 20-21, 2017, London, UK.
67. Intraoperative sensing for total knee arthroplasty. 2017 John N. Insall Traveling Fellows. New York, October 12-13, 2017.
68. Changes in TKA design. Implications for physical therapists. The changing world of joint arthroplasty. A multidisciplinary approach. New York, October 20-21, 2017.
69. Salvati EA, Brause B, Westrich G, Gonzalez Della Valle A. Four decades of experience on two-stage reimplantation of infected total hip arthroplasty at the Hospital for Special Surgery. 38th SICOT Meeting – Cape Town, South Africa – November 30 to December 2, 2017.
70. Acetabular bone grafting with a reinforcement mesh. The Holiday Hip and Knee Course. New York. November 30th to December 2nd, 2017.

71. Intraoperative sensing for TKA. The Holiday Hip and Knee Course. New York. November 30th to December 2nd, 2017.
72. Acetabular impaction grafting for non-contained acetabular defects. Current Concepts in Joint Replacement – December 2017.
73. Addressing the varus deformity using ligament pie-crusting. Current Concepts in Joint Replacement – December 2017.
74. Patellofemoral replacement. Current Concepts in Joint Replacement – December 2017.
75. Cemented femoral fixation. An optimal hybrid solution. Current Concepts in Joint Replacement – December 2017.
76. History of thromboembolism and thromboprophylaxis following hip and knee arthroplasty. *Visiting professor* at the Department of Orthopaedic Surgery, Robert Wood Johnson Medical Center, New Brunswick, NJ. January 18, 2018.
77. Radiology in joint arthroplasty. Guest Lecturer at the Department of Orthopaedic Surgery – Lenox Hill Hospital, February 5th, 2018.
78. Biomaterials for total knee arthroplasty. Instructional Course Lecture 161: The modern total knee arthroplasty. What to make of all these options? The Annual Meeting of the AAOS. New Orleans, March 7th, 2018, Las Vegas, March 11, 2019.
79. Ambulatory total hip arthroplasty. The annual Meeting of the Spanish Hip Society (SECCA) – Sitges, Spain June 12-14, 2018.
80. Preoperative planning for primary hip arthroplasty with focus on spinal-pelvic alignment. The annual Meeting of the Spanish Hip Society (SECCA) – Sitges, Spain June 12-14, 2018.
81. Knee rapid fire quiz. The resident course. The annual meeting of AAHKS. November 1-4, 2018, Dallas, TX.
82. Intraoperative sensing for total knee arthroplasty. Annual Meeting of the Stavros Niarkos Foundation – November 27, 2018, New York, NY.
83. Mechanical alignment preferred for total knee arthroplasty. The Holiday Hip and Knee Course, November 29, 2018, New York, NY.
84. Patellofemoral replacement: A third compartment solution. Femoral fixation: To cement or not to cement. Ambulatory joint arthroplasty: In opposition. Impaction grafting acetabular revisions. Current Concepts in Joint Replacement – December 2018.
85. The posterolateral approach to primary total hip arthroplasty. Fundamentals of hip and knee arthroplasty for orthopaedic residents. Organized by AAOS. April 26-28, 2019. Rosemont, IL.
86. Ambulatory joint arthroplasty: in opposition. Impaction grafting acetabular revisions: recreating the contained defect. Cemented femoral fixation: An optimal hybrid solution. Correcting intra- and extra-articular deformity during TKA. Thromboprophylaxis: Don't forget the old aspirin. Current Concepts in Joint Replacement – Cleveland, OH, May 2019.
87. Ambulatory joint arthroplasty: in opposition. Correcting intra- and extra-articular deformity during TKA. Intraoperative sensing: current status. Encuentro Latinoamericano de Cirujanos de Cadera y Rodilla – Cartagena, Colombia, August 7-10, 2019.

88. Cemented femoral fixation for primary THA. Historic and current concepts on thromboprophylaxis for THA. Preoperative planning for THA. Impaction grafting revision THA. In "Total hip arthroplasty: The operation of the century". Buenos Aires, October 10th, 2019.
89. THA instability. Annual Meeting of the Stavros Niarkos Foundation at Hospital for Special Surgery – December 4, 2019, New York, NY.
90. Exposure in revision total knee arthroplasty. The Holiday Hip and Knee Course, December 5, 2019, New York, NY.
91. Ambulatory joint arthroplasty: in opposition. Impaction grafting acetabular revisions: recreating the contained defect. Patellofemoral arthroplasty: A third compartment solution. Current Concepts in Joint Replacement – Orlando, FL, December 2019.
92. The posterolateral approach to primary total hip arthroplasty. Fundamentals of hip and knee arthroplasty for orthopaedic residents. Organized by AAOS. July 10-11, 2021. Rosemont, IL.
93. Cemented fixation for the patient with complex femoral morphology. All the new technology: what do we make of it? Cemented fixation for primary arthroplasty. Revision hip arthroplasty: what have I learned through the years? OrthoSummit. Las Vegas, NV December 10-14, 2021.
94. Revisiting cement fixation. International Masters Anterior Course. Houston, TX, September 2023, 2024, 2025.
95. When, why and how did I adopt the direct anterior approach? International Masters Anterior Course. Houston, TX, September 2023, 2024, 2025.
96. Setting yourself for success with your patients. International Masters Anterior Course. Houston, TX, September 2023, 2024, 2025.
97. Surgical tips to address for THA in patients with moderate and severe hip dysplasia. The 105 Annual Meeting of the HSS Alumni Association. New York, October 13, 2023. The Annual Meeting of ACARO, Buenos Aires, April 23-25, 2025.
98. THA Instability: Assessment and avoidance. The HSS Holiday Hip & Knee Course. New York, 2023, 2024, 2025.
99. Enabling technology in THA. The HSS Holiday Hip & Knee Course. New York, 2023, 2024, 2025. The Annual Meeting of ACARO, Buenos Aires, April 23-25, 2025. The 15th Symposium on Hip Preservation and Minimally Invasive Surgery of the Hip. Quebec, Canada, June 5-7, 2025.
100. Partial knee replacement. Surgical video. The Annual Meeting of ACARO, Buenos Aires, April 23-25, 2025.
101. Spinopelvic alignment in 5 easy concepts. HSS' Technology in Arthroplasty Meeting, Ft. Lauderdale, FL, January 24, 2025. The Annual Meeting of ACARO, Buenos Aires, April 23-25, 2025.
102. Shall we still be using impaction grafting for femoral revision in 2025? The Annual Meeting of ACARO, Buenos Aires, April 23-25, 2025. The 15th Symposium on Hip Preservation and Minimally Invasive Surgery of the Hip. Quebec, Canada, June 5-7, 2025.
103. A mixed practice of direct anterior and posterior approach for primary hip arthroplasty. The Annual Meeting of ACARO, Buenos Aires, April 23-25, 2025.
104. Addressing the varus deformity during total knee arthroplasty. The Annual Meeting of ACARO, Buenos Aires, April 23-25, 2025.

105. Dual mobility liners: What is the literature and registries telling us in 2025?
International Masters Anterior Course. Houston, TX, September 11-13, 2025.
106. Ask the experts: Revision total knee replacement. Panelist. The AAHKS Annual Meeting. October 23-26, 2025, Grapevine, TX.

WEB-BASED PRESENTATIONS/LECTURES/CONFERENCES:

1. Direct anterior approach. What does the literature say? Direct anterior approach for total hip arthroplasty. Webinar of Hospital for Special Surgery. May 9th, 2018.
2. Technical considerations of cemented femoral fixation for primary hip arthroplasty. Webinar JAAOS Plus: Cemented Femoral Component use in Hip Arthroplasty. Director: John Scanelli, MD. May 6th, 2019.
3. Thromboprophylaxis and mortality after arthroplasty of the hip and the knee. Dislocations following THA. A webinar by the Argentine Hip and Knee Society. April 16, 2020. https://www.youtube.com/watch?v=e_dcfmYZHAA
4. Fellowship after orthopaedic residency. Webinar by the Department of Orthopaedic surgery of the Italian Hospital of Buenos Aires. April 28, 2020.
5. Ambulatory joint arthroplasty: in opposition. Cemented femoral fixation: Optimal hybrid solution. Current Concepts in Joint Replacement – Las Vegas, NV, May 2020.
6. Reconstruction of uncontained acetabular defects with impaction grafting and a reinforcement mesh. Webinar organized by Hospital de San Isidro, Provincia de Buenos Aires, Argentina, June 5, 2020.
7. Dealing with intra- and extra-articular deformity during total knee arthroplasty. Why do I still prefer cemented femoral fixation in the 21st century? Zoom meeting organized by Dr. Luis Francescoli. Motevideo, Uruguay, June 22, 2020.
8. The return to non-essential surgery during the COVID-19 pandemic. Director of a series of three webinars organized by Hospital for Special Surgery. August 7, 24, and 31, 2020.
9. Cemented femoral fixation for hip arthroplasty. Cemented fixation for total knee arthroplasty. HSS total hip and total knee fall program for orthopaedic surgeons practicing in Greece. Webinar organized by the ARJR Service of Hospital for Special Surgery. October 10, 2020.
